

BORGES LBV

2020

Characteristics

ORIGIN

Region: Douro Demarcated Region.

Soil: Schistous.

Vine Training Method: Traditional vines, terraced.

Average Vine Age: 30 to 40 years.

Average Production: 25 hl/ha.

Grape Varieties: Touriga-Nacional, Touriga-Franca, Tinta-Roriz, Tinta-Amarela and Sousão.

VINIFICATION PROCESS / MATURATION

After reception the grapes, transported in 20 kg cases so that they arrive at the cellar in perfect conditions, they are crushed with partial destemming. Fermentation occurs for 3 to 4 days in traditional treading tanks to obtain more intense color and aromas.

Then, the skins are separated from the must and a grape brandy of 77% v/v is added in order to interrupt the fermentation. The wine then ages for 4 years before bottling and then completes its evolution in the bottle.

ORGANOLEPTIC AND ANALYTICAL CHARACTERISTICS

Alcohol Content: 19.5% vol.

Total Acidity: 4.2 g Tart. Ac./l.

Reducing Sugar: 100 g/l.

Appearance: It displays a deep, intensely coloured red hue, enhanced by elegant violet tones that reveal youth and concentration.

Aroma: On the nose, it is intense and captivating, with remarkable aromatic complexity. Notes of ripe fruit stand out, where plum and blackberry merge with hints of stewed red fruits, subtly accompanied by delicate spices, creating a harmonious and refined profile.

Taste: On the palate, it shows balanced acidity, perfectly integrated into a full and well-structured body. Ripe, well-integrated tannins add volume and elegance, leading to a long, persistent and harmonious finish, marked by distinction and finesse.

SERVING

Recommended serving temperature: 16 to 18 °C.

Serving Suggestions: It pairs beautifully with soft cheeses and intensely flavoured aged cheeses, as well as chocolate desserts and red fruits. At the table, it complements robust meats and roasted dishes with distinction, or simply shines when enjoyed in good company. A versatile wine, ideal to serve as an aperitif or digestif.
